

WhatsViz: Instructions

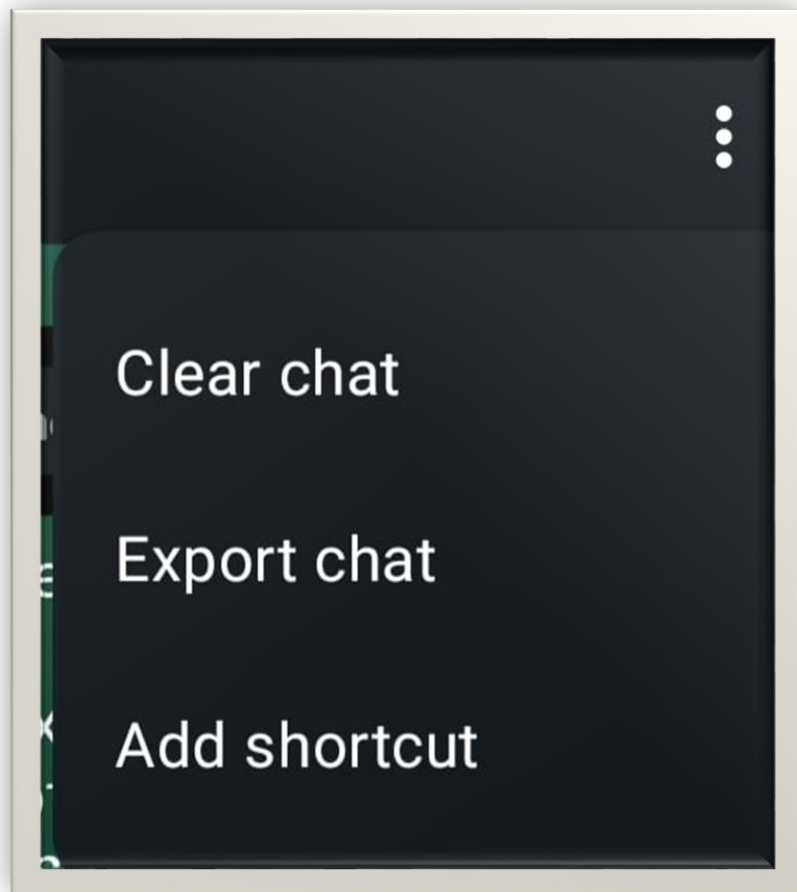

◆ Step 1: Pick Your Chat

Open WhatsApp and navigate to the conversation you want to analyze.

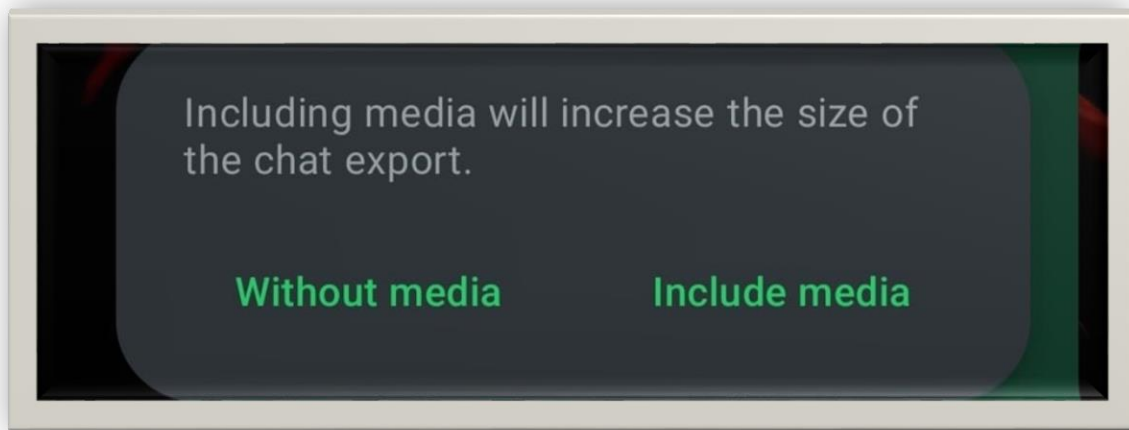

◆ Step 2: Export the Chat

Tap the options menu (:), select **More**, and hit **Export Chat**.

◆ Step 3: Choose "Without Media"

To keep it clean and focused, export the chat **without media** files.

◆ Step 4: Upload & Discover

Simply upload the exported chat file and let the insights roll in! 🚀
